ALUMNI TESTIMONIAL Ms. Shruti Patel, Analytical Scientist

“ My journey at RK University was full of incredible experiences. It has laid a strong foundation of my professional life and has built me with confidence and knowledge to pass through all changes in my career. While studying here the academics have offered a lot of inspiration and guidance. I have enjoyed a lot taking part in the spectrum of activities being conducted such as sports, annual cultural events and college parties, which also had indeed helped me developing my distinctive character. I am grateful to be a part of RK University. ”
